Re: New Remedial Project Manager for Albion-Sheridan Township Landfill Superfund Site

Dear Mr. Seymour:

Due to a shift in work-load amongst Remedial Project Managers, Jon Peterson will be the new Project Manager for the Albion-Sheridan Township Landfill Superfund Site, effective immediately. Jon is an experienced Project Manager and is great at making practical decisions and keeping cleanups moving quickly, so I think it is a good fit. I will be available to be consulted for past history whenever Jon wishes.

It has been enjoyable working with you on the Albion site and I'm confident the cleanup will continue to progress as well under Jon. He can be reached at (312) 353-1264 or by email at Peterson.Jon@epamail.epa.gov.

Sincerely yours,

Leah H. Evison
Remedial Project Manager
